Our Business Model

Engineered for Execution and Speed

- ✓ **Market-Facing Model:** Built around execution quality, pricing integrity, and highly disciplined risk control.
- ✓ **Direct Market Access:** Seamless ECN/STP execution flow designed to minimize friction.
- ✓ **Optimal Trading Environment:** Engineered for speed, consistency, and highly efficient market access.
- ✓ **Strict Oversight:** Continuous monitoring across all execution flows and market exposure to ensure fairness.

Why Trade with FXPRIMUS

Core Strengths & Advantages

- ✓ **Unwavering Transparency:** Operating with the highest levels of trust and clarity.
- ✓ **Elite Execution Speed:** Lightning-fast processing with minimal slippage.
- ✓ **Dedicated Support:** Specialized, dedicated teams ready to assist both clients and partners.
- ✓ **Maximum Security:** A foundation built entirely on fund protection and system security.

Trade the World's Leading Markets

Forex, Cryptos, Metals, and more.

Forex

Access over 60+ currency pairs including majors, minors, and exotics with ultra-tight spreads 24/5.

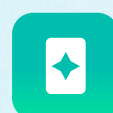

Indices

Gain exposure to major global benchmarks like S&P 500, NASDAQ, and FTSE 100 with zero commissions.

Stocks

Trade hundreds of US and EU blue-chip equities. Go long or short and receive dividend adjustments.

Metals & Energies

Diversify with Gold, Silver, and Crude Oil. High liquidity and institutional-grade pricing.

Cryptos

Trade Bitcoin, Ethereum, and other digital assets with the stability of a regulated broker.

Synthetics

Proprietary Synthetic Indices replicated for 24/7 continuous liquidity and constant volatility.

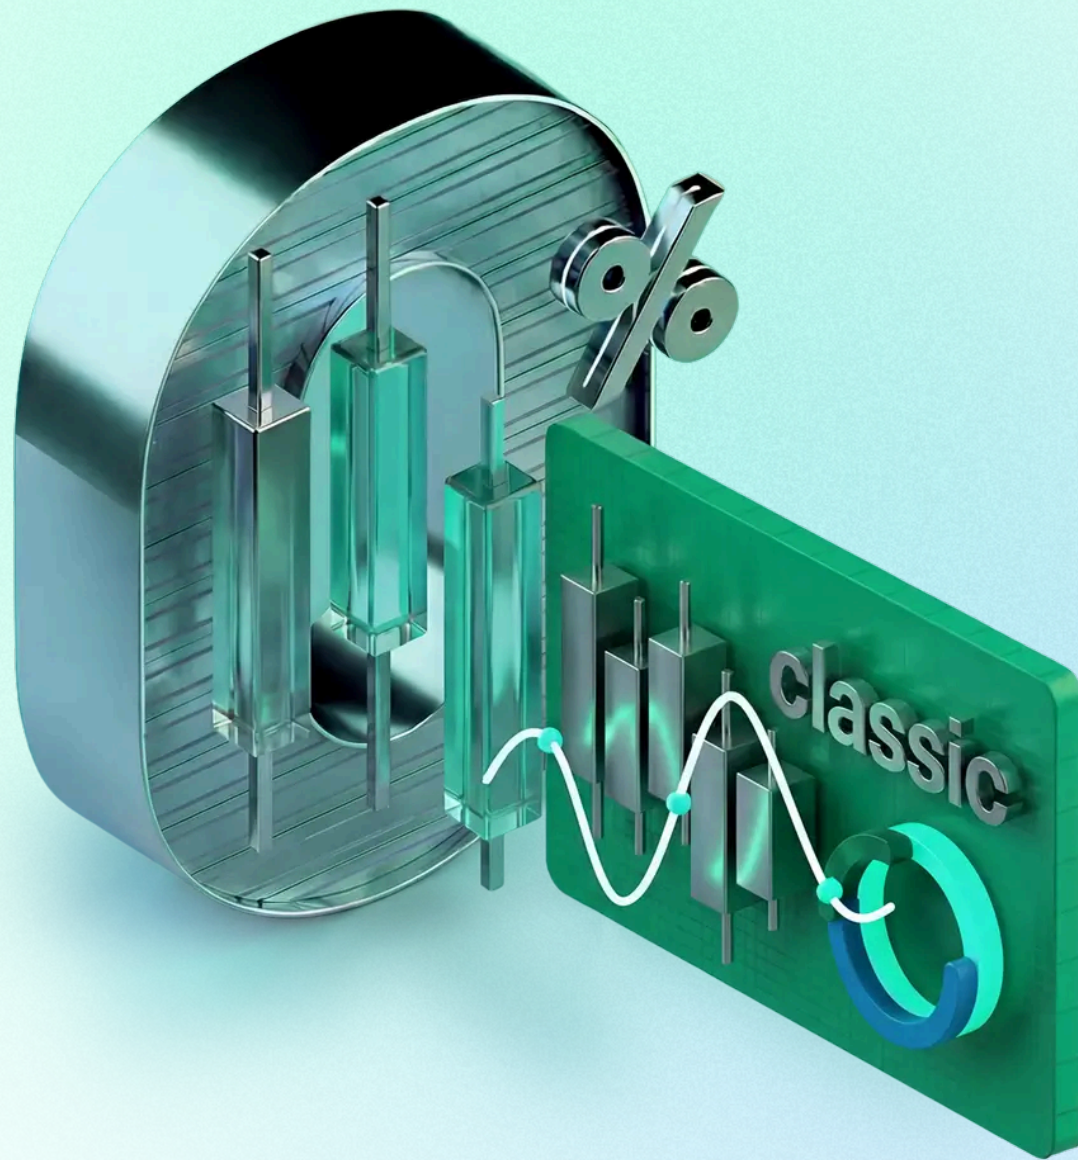

Professional Trading Solutions

- ✓ **PAMM (Percentage Allocation Management Module):** A pooled account solution where investor funds are allocated into a master strategy, with profits and losses distributed proportionally.
- ✓ **MAM (Multi-Account Manager):** An advanced structure for professional money managers requiring flexible allocation based on lot size, equity, or balance.
- ✓ **Copy Trading:** A sophisticated, real-time solution allowing investors to seamlessly follow the strategies of experienced traders.
- ✓ **Partner Benefits:** These solutions enhance client retention, support ongoing trading volume, and expand your value proposition to a broader audience.

Flexible Allocation & Copy Trading

PAMM Accounts

Effortless & Transparent Investing

✓ Passive Investing

Clients can automatically mirror the strategies of professional traders without needing to execute trades themselves.

✓ Proportional Profit Sharing

Profits and losses are seamlessly distributed based on each investor's exact percentage of the pooled funds, ensuring fair and accurate allocation.

✓ Total Transparency

Investors retain complete, real-time visibility into strategy manager performance, historical drawdowns, and trade history.

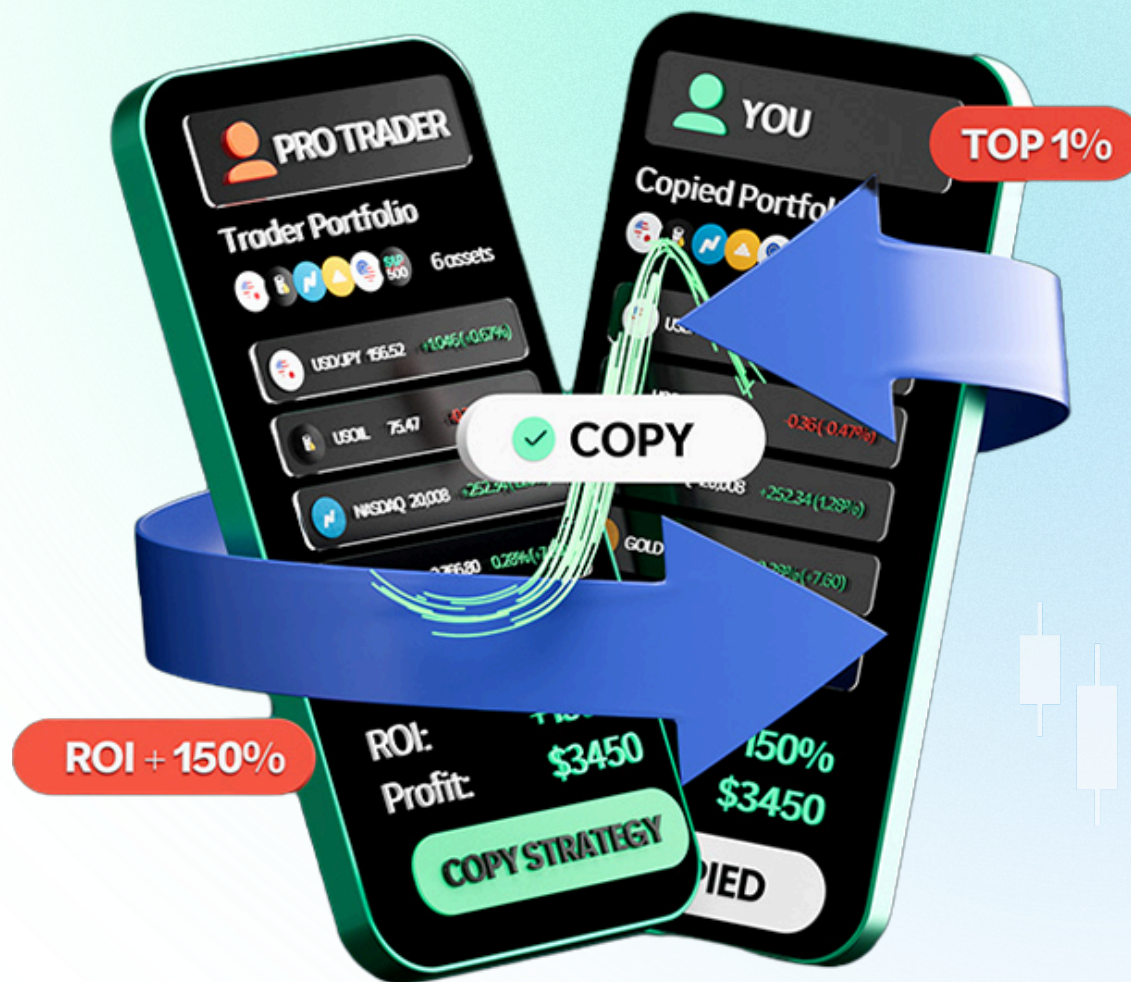

✓ Lower Barrier to Entry

Provides your clients with direct access to elite, experienced trading strategies without requiring massive upfront capital.

Copy Trading

Mirror Experts or Monetize Your Skills

✓ Seamless Automation

Automatically replicate expert trades in real-time without needing advanced market knowledge or a heavy time commitment.

✓ Customizable Risk Management

Maintain total control. Adjust volume allocations, set Stop Loss/Take Profit limits, or pause copying at any time.

✓ Ultra-Low Barrier to Entry

Accessible for all experience levels, allowing clients to start copying top-tier strategies from just \$50.

✓ Lucrative Provider Opportunities

Skilled traders can build a following, showcase verified performance, and earn passive income through performance commissions.

PrimoConnect

Revolutionary Social Network for Traders & Partners

A Global Trading Community

Connect with like-minded traders and industry experts to share insights, discuss strategies, and discover new market opportunities.

Trade Directly From the Hub

Execute your strategies on global markets directly through your FXPrimus Live Account without ever leaving the PrimoConnect platform.

Advanced Tools & Education

Gain free access to premium market insights, real-time price feeds, futures maps, trading courses, and live news to supercharge your decisions.

Loyalty Store - Earn Loyalty Coins (LC) for Real Rewards

Trade and engage to earn XP and Loyalty Coins, which you can redeem for trading benefits and up to **\$10,000** in cash.

Cybersecurity & Data Protection

Your assets, our priority.

Enterprise-Grade Platform Security

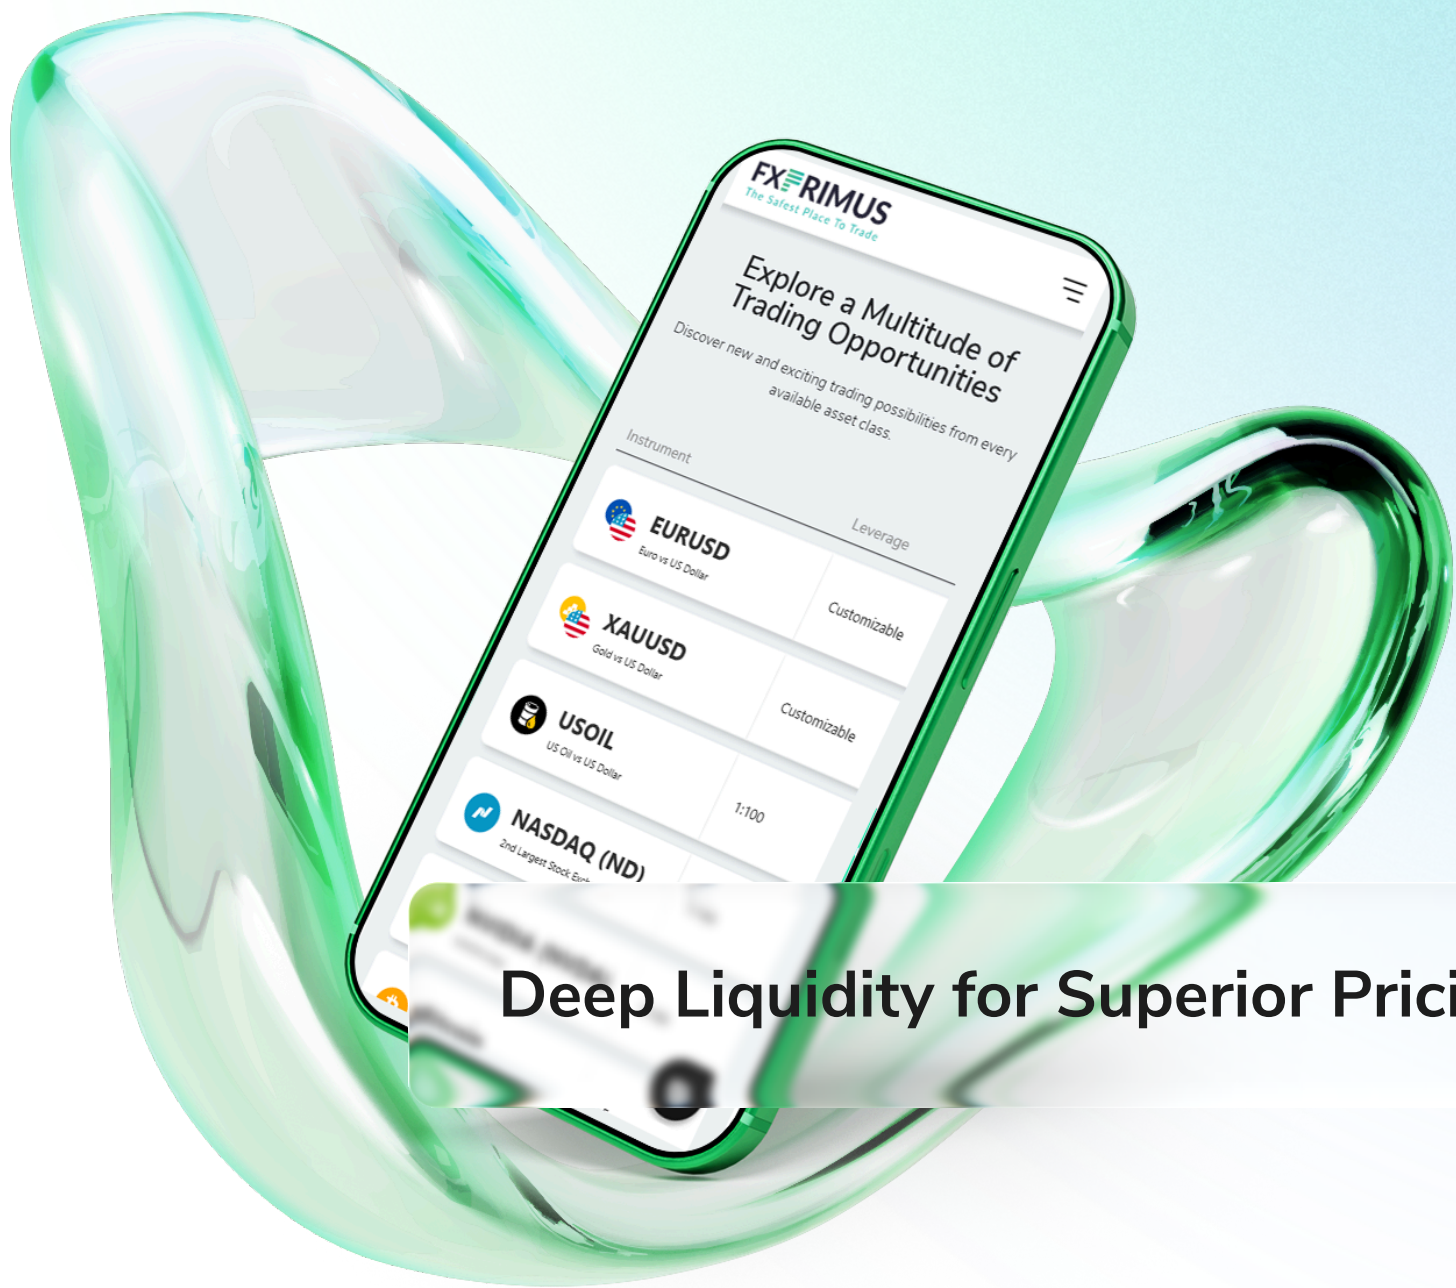

- ✓ **Stringent Account Protection:** Mandatory secure credentials and Two-Factor Authentication (2FA) for sensitive actions.
- ✓ **Global Cloud Infrastructure:** Systems hosted on Amazon Web Services (AWS) utilizing industry-standard firewalls and continuous monitoring.
- ✓ **Total Data Encryption:** Strict access controls and end-to-end encryption for all shared data.
- ✓ **Secure Payments:** All transactions are handled by trusted third-party Payment Service Providers (PSPs) without storing sensitive payment details on our servers.
- ✓ **Proactive Anti-Fraud:** Continuous monitoring and additional withdrawal verification steps to detect and prevent suspicious activity.

Fund Security & Governance

- ✓ **Strict Segregation:** All client capital is held in fully segregated, top-tier bank accounts.
- ✓ **Zero Operational Exposure:** Client funds are kept completely separate from FXPrimus operational funds, eliminating operational risk.
- ✓ **Always Accessible:** Funds remain protected, secure, and readily accessible to clients at all times.
- ✓ **Robust Governance:** Every deposit and withdrawal is subject to strict verification, monitoring, and approval processes.

Uncompromising Protection of Client Capital

Deep Liquidity for Superior Pricing

Tier-1 Liquidity

- ✓ **High-Quality Sources:** Access to a deep pool of Tier-1 liquidity providers.
- ✓ **Competitive Pricing:** Deeper liquidity ensures faster fills and highly efficient execution across all market conditions.
- ✓ **Reduced Slippage:** Order routing designed to protect against fast price movements and thinner liquidity pockets.
- ✓ **No-Dealing-Desk Style:** An execution environment that preserves price competitiveness and maximizes client lifetime value for partners.

Advanced Risk Management

Embedded Risk Controls & Stability

- ✓ **Ecosystem Protection:** Designed to maintain proper oversight and preserve stability during both normal and stressed market conditions.
- ✓ **Ecosystem Protection:** Designed to maintain proper oversight and preserve stability during both normal and stressed market conditions.
- ✓ **Controlled Framework:** Provides a secure environment for traders, strategy managers, and managed accounts.
- ✓ **Controlled Framework:** Provides a secure environment for traders, strategy managers, and managed accounts.
